FOREWORD

The *Alumni Number* of the Williams College Bulletin provides a list to which every alumnus may turn for information about his classmates and college friends, including latest known addresses.

This issue is published by the college and will be distributed free of charge to all alumni. Requests for additional copies should be addressed to the Alumni Office, 1 Jesup Hall, Williamstown, Mass.

To make this issue as practical as possible the following rules are followed:

1. Each name is given under the class with which the individual has expressed his preference to be affiliated. In the case of the war classes, men have arbitrarily been assigned to the classes with which they originally matriculated. If degree was received earlier, or later, that fact in the case of Williams graduates is indicated: B.A. with date.
2. Titles are omitted before the names as far as possible. This applies to new names added and is not retroactive.
3. Degrees and occupations are given directly after the names.
4. Residence addresses are listed first.
5. Business addresses follow.
6. ¶ signifies preferred mailing address.

Names of all living graduates are carried, even when no address is known. For a list of all officers, graduates, and nongraduates since the founding of the college, see the *General Catalogue* of 1930.

CONSTITUTION

(Adopted at the Annual Meeting of the Society of Alumni, June 18, 1938, and as amended June 15, 1946)

Article I. Name and Purpose

This society is named "The Society of Alumni of Williams College." Its purpose shall be to advance the interests of the college.

Article II. Membership

All graduates of the college and sometime members whose classes shall have graduated, and those who receive from it an honorary degree, shall be members. Honorary members may be elected at the annual meeting when proposed by The Executive Committee, and shall have all the rights and privileges of members.

Article III. Annual Meeting

An annual meeting of the society shall be held at the college on the Saturday preceding Commencement Day, or on such day during each June Commencement as the Executive Committee may fix and determine. Twenty-five members shall constitute a quorum.

Article IV. Officers

The officers of the society shall be a president, vice president, secretary, treasurer, and assistant treasurer. These officers with the exception of the treasurer shall be elected at each annual meeting and shall be nominated as hereinafter set forth. The treasurer of the college shall be ex-officio treasurer of the society. The Executive Committee may also appoint such other officers and agents of the society as, from time to time, may appear to be necessary or advisable in the conduct of the affairs of the society.

Article V. President

The president shall preside at the meetings of the society and shall perform the usual duties pertaining to the office. In the absence of the president, his duties shall be performed by the vice president.

It shall be the specific duty of the president to appoint annually, on or about July first, a member of the Williams College Athletic Council, to serve on said council for a period of three years.

Article VI. Secretary

The secretary shall keep the records of the society, give notice of the meetings, and perform the usual duties pertaining to the office. He may be paid a salary as determined by the Executive Committee. The secretary shall be the secretary of the Executive Committee.

Article VII. Treasurer

The treasurer shall have charge of the funds of the society. He shall keep full accounts of all receipts and disbursements of the society. The assistant treasurer shall perform such duties as may be assigned to him by the treasurer. The offices of secretary and assistant treasurer may be held by the same individual.

Article VIII. Executive Committee

a. There shall be an Executive Committee consisting of fifteen members, two of whom shall be elected at each annual meeting of the society, to hold office for a term of five years. The alumni trustees of the college shall be ex-officio members of the Executive Committee during their respective terms of office. In addition to the fifteen members above provided for, the president

and the vice president of the society and the chairman of the Alumni Fund shall be ex-officio members of the Executive Committee and the president shall be chairman thereof. Five members shall constitute a quorum.

b. Any vacancies arising between the annual meetings of the society among the officers or the Executive Committee may be filled through appointment by the Executive Committee, the respective appointees to hold office until the succeeding June meeting of the society.

c. The Executive Committee shall transact the business of the society between its annual meetings. It shall appoint a nominating committee and such other committees as it may deem advisable. It shall act as a board of final decision to settle all questions referred to it by the secretary as to votes cast for alumni trustee, and all proposed amendments to this constitution shall be presented through the Executive Committee.

d. The compensation of all officers, agents and employees of the Society shall be fixed from time to time by the Executive Committee.

Article IX. Nominating Committee

The Executive Committee shall, prior to January first of each year, appoint a nominating committee consisting of three members of the society, none of whom shall be officers or members of the Executive Committee. It shall be the duty of the Nominating Committee to submit at the annual meeting nominations for officers of the Society for the ensuing year and for members of the Executive Committee. Additional names may be placed in nomination upon written petition of fifty members of the society, presented to the president of the society at least thirty days before the date of the annual meeting.

Article X. Chairman of Alumni Fund

The Executive Committee shall appoint annually a member of the society as chairman of the Alumni Fund (formerly known as the Loyalty Fund). Under the direction of the Executive Committee, the chairman shall have general charge of obtaining contributions to the Alumni Fund and with the approval of the Executive Committee may appoint class agents or other assistants. Gifts to the Alumni Fund may be for additions to the capital of the Alumni Fund. Unrestricted gifts and the interest on the capital fund shall be devoted to such general college purposes as the Executive Committee, after consultation with the president of the college, may determine. Expenses of the Society of Alumni may be paid therefrom in the discretion of the Executive Committee. The capital of the Alumni Fund may be expended only if voted by the Society of Alumni, and approved by the trustees of the college. The title to the Alumni Fund shall be in the President and Trustees of Williams College, to be held or invested by them. The Alumni Fund shall at all times be kept separate from other funds of the college. All subscriptions received for the Alumni Fund shall be made to the treasurer of Williams College, who shall be treasurer of the Alumni Fund.

Article XI. Alumni Trustees

1. The society shall elect, from the alumni of the college, five members of the Board of Trustees of the college to be known as alumni trustees. These trustees shall be elected for a term of five years each, their terms expiring in successive years, and the term of one trustee expiring in each year. In case of a vacancy in the office of any alumni trustee before the expiration of his term, if such term would not otherwise have expired at the succeeding college Commencement, such vacancy shall be filled for the unexpired term at the meeting of the society held immediately prior to such Commencement.

2. Alumni trustees shall be choen by printed ballots. Said ballots shall be prepared by the secretary of the Society of Alumni, who shall place thereon the names of the five men nominated by the Nominating Committee. The latter shall be composed of five representatives of the various alumni asso-

ciations and four members of the Executive Committee of the Society of Alumni, one of whom shall be the latter's president.

Each of the officially recognized alumni associations shall be entitled to send its president or his proxy to a meeting which shall be held annually in Jesup Hall at ten o'clock on the Saturday morning of the week-end devoted to the Midwinter Home-coming in February. The proxy, however, must be a *bona fide* resident of the district covered by the association which he represents. In the event that the president or his proxy does not appear at the meeting, the alumni association over which the former presides shall have no vote.

At the meeting of these representatives of the various alumni associations five of their number shall be chosen by ballot to serve on the Nominating Committee, and a discussion of available candidates for the five positions on the alumni trustee ballot shall be held by the full meeting, in order that the five committee members shall be informed as to the general attitude of the representatives present and the type of man they wish nominated.

The Executive Committee of the Society of Alumni shall also elect by ballot three of its members (one from each class) to serve on the Nominating Committee with the president of the Society of Alumni.

At four o'clock on the same Saturday the nine members of the Nominating Committee shall meet in Jesup Hall, elect their chairman and secretary, and, after canvassing the entire field of alumni, shall nominate five candidates for alumni trustee and five alternates (in order). The factors to be considered in nominating these candidates shall be their character, ability, loyalty to the college, standing in their communities and among their fellow-alumni, age, and geographical location. Any man listed as a graduate or sometime member of the college shall be eligible for nomination.

Upon the nomination of the ten candidates, the chairman and the secretary of the Nominating Committee shall certify their names to the secretary of the Society of Alumni within forty-eight hours after the choice is made.

The first five shall be considered the candidates named by the committee, and the sixth, seventh, eighth, ninth, and tenth men shall be considered as alternates, to be taken in that order in the event that one or more of the first five decline nomination or die prior to the election.

A full year must elapse before a man who has completed his term as alumni trustee can serve again in that capacity. Furthermore, no man shall be nominated by the Nominating Committee more than three years in succession.

No alumni association shall be entitled to be represented at the annual meeting in February except the official associations listed, unless it has been organized with its regularly elected officers for a period of one year, and also has been formally recognized as a regional alumni association by a majority vote of the Executive Committee of the Society of Alumni.

3. The secretary shall, at least two months prior to the alumni meeting, mail to each member of the society at his last known address a notice of the coming election of alumni trustees, containing the name, class, residence, vocation, and fact (if so) of previous service on the board of each candidate; also a statement of the names of the members of the Board of Trustees of the college as then constituted, with a statement, in the case of the alumni trustees, as to the dates of the expiration of their respective terms of office, and an official ballot containing the names of the nominees who have received the necessary votes, together with an envelope addressed to himself, within which, sealed, each vote shall be forwarded to him. These votes he shall open, count, record, and hold subject to the order of the society. He shall not communicate the state of the ballot to anyone before its final announcement by him at the alumni meeting. It shall be his duty, however, to refer to the Executive Committee of the society all natters respecting any doubtful validity of votes. If any person or persons so reported by the secretary as nominated shall die or withdraw his name or their names before the official ballot is sent out, the secretary shall place upon said ballot, in the place of the one or more so dead or with-

drawn, the name or names of the person or persons who were nominated as a candidate or candidates by the votes of the next highest number of members, subject to like provisions as above in case of ties, previous nominations, deaths, or withdrawals.

4. Each member of the society shall be permitted to vote for one candidate only for the position of alumni trustee. The candidate receiving the highest number of votes shall be declared chosen to the office of trustee, and, if there be more than one vacancy, for the longest term. If there be more than one vacancy, the candidate receiving the second largest number of votes shall be elected trustee for the next longest term, and if there be other vacancies, each vacancy shall be filled, in turn, by the member receiving the highest number of votes who shall not already have been declared elected a trustee to fill some other vacancy.

5. The words "elect" or "chosen" or similar words in this article shall be understood to mean to recommend to the Board of Trustees of the college, by which latter body the election is legally made.

Article XII. Amendments

This Constitution may be amended by affirmative vote of a majority of the members present at an annual meeting of the Society, or at a special meeting thereof, the notice of which special meeting shall include the form and substance of the proposed amendment, or either (*a*) by affirmative vote of a majority of the whole Executive Committee at any meeting thereof, or (*b*) by affirmative vote of all the members of the Executive Committee present at any meeting at which a quorum, less than a majority, is present; provided, in either of the latter cases, that such amendment shall be submitted to the next annual meeting of the Society for ratification, and provided further, that notice of such amendment and the form and substance thereof shall be mailed to each member of the Society at least 30 days prior to such annual meeting.

GRADUATES AND SOMETIME MEMBERS

All graduates of the college and sometime members whose classes shall have graduated, and those who receive from it an honorary degree, shall be members of the Society of Alumni. Honorary members may be elected at the annual meeting when proposed by the Executive Committee, and shall have all the rights and privileges of members. Names of graduates are printed in black-face type; nongraduates in italics.

In this issue of the BULLETIN the total number of graduates in each class is given, followed by the number of graduates still living (minus, in a few cases, those who have been lost to the Alumni Office for eight years or more). In the case of nongraduates, the total for whom there are currently good addresses is given.
